Initial Purchase: Date of your initial investment in this fund.

Market Timing: Merrill Lynch's policies prohibit mutual fund market timing, which involves the purchase and sale of mutual fund shares within short periods of time with the intention of capturing short-term profits resulting from market volatility. Market timing may result in lower returns for long-term fund shareholders because market timers capture short-term gains that would otherwise pass to all shareholders and due to increased transaction costs and fewer assets for investment due to the need to retain cash to satisfy redemptions.

Our records indicate that for 2011 you may be required to take a Required Minimum Distribution (RMD) from this account. You are required to take annual RMDs from your IRA account (s) for the year you turn age 70 1/2 and each subsequent year. The deadline for taking your 2011 RMD is December 31, 2011 or April 1, 2012 if 2011 is your first Required Minimum Distribution year. Contact us after January 15th in order to obtain your RMD calculation (if applicable), otherwise the calculation will be provided to you on your next statement.

For purposes of calculating Required Minimum Distributions or completing IRS Form 8606, you are required to use the value of your account as of 12/31/10. This value should include your Priced Portfolio total and the value of certain limited partnerships and other direct investments as well as any securities that we are unable to price - marked "Unavailable". The "Year-End Plan Value" shown consists of your Priced Portfolio total plus the estimated value of limited partnerships or other direct investments reported on your year-end statement.

For IRA, IRRA, SEP/IRA, SIMPLE/IRA ROTH IRA and ESA accounts, the Year-End Plan Value represents the valuation we must furnish to you and the Internal Revenue Service as part of the IRS Form 5498 reporting requirements.

About Us

You may review our financial statement at our offices: Merrill Lynch, Pierce, Fenner & Smith Incorporated (MLPF&S), One Bryant Park, New York, New York 10036. If you request a copy of our financial statement, we will mail it to you.

We are associated with a NYSE Designated Market Maker (DMM) that may make a market in the security(ies) held in your account. At any time, the DMM may have a "long" or "short" inventory position in such security(ies) and may be on the opposite side of transactions in the security(ies) executed on the floor of the NYSE. We also act as a market maker, dealer, block positioner or arbitrageur in certain securities. These activities may put us or one of our affiliates on the opposite side of transactions we execute for you and potentially result in trading profits for us or our affiliates.

BofA Merrill Lynch Research is research produced by MLPF&S and/or one or more of its affiliates. Third party research ratings from selected vendors are provided, if available, for your information. Our providing these research ratings is not a solicitation or recommendation of any particular security. MLPF&S and its affiliates are not responsible for any third party research and have no liability for such research. You are responsible for any trading decision you make based upon third party research ratings and reports.

MLPF&S may make available to you certain securities and other investment products that are sponsored, managed, distributed or provided by companies that are affiliates of Bank of America Corporation (BAC) or in which BAC has a substantial economic interest, including BofA™ Global Capital Management, BlackRock and Nuveen Investments.

Merrill Edge is the marketing name for two businesses: Merrill Edge Advisory Center™, which offers team-based advice and guidance brokerage services; and a self-directed online investing platform. Both are made available through MLPF&S.

Bank of America Merrill Lynch is the marketing name for the global banking and global markets businesses

of BAC. Lending, derivatives, and other commercial banking activities are performed globally by banking affiliates of BAC, including Bank of America, N.A., member Federal Deposit Insurance Corporation (FDIC). Securities, strategic advisory, and other investment banking activities are performed globally by investment banking affiliates of BAC ("Investment Banking Affiliates"), including, in the United States, Banc of America Securities LLC and MLPF&S, which are both registered broker dealers and members of Financial Industry Regulatory Authority (FINRA) and Securities Investor Protection Corporation (SIPC), and, in other jurisdictions, locally registered entities.

Investment products offered by Investment Banking Affiliates, including MLPF&S, ARE NOT FDIC INSURED, ARE NOT BANK GUARANTEED AND MAY LOSE VALUE.

We will route your equity and option orders to market centers consistent with our duty of best execution.

Except for certain custodial accounts, we hold bonds and preferred stocks in bulk segregation. The probability of your holdings being selected is proportional to the total number of customer holdings of that particular security that we hold.

This statement serves as a confirmation of certain transactions during the period permitted to be reported periodically. Additional information is available upon written request.

In accordance with applicable law, rules and regulations, your free credit balance is not segregated and we can use these funds in our business. You have the right to receive, in the normal course of business, any free credit balance and any fully paid securities to which you are entitled, subject to any obligations you owe in any of your accounts.

You will have the right to vote full shares and we may solicit voting instructions concerning these full shares in your account. Voting shares in your account will be governed by the then current rules and policies of FINRA and the Securities Exchange Commission or other applicable exchanges or regulatory bodies.

All transactions are subject to the constitution, rules, regulations, customs, usages, rulings and interpretations of the exchange or market, and its clearinghouse, if any, where the transactions are executed, and if not executed on any exchange, FINRA.

Fixed Income Securities

Values on your statement generally are based on estimates obtained from various sources. These values assume standard market conditions, are not firm bids or offers and may vary from prices achieved in actual transactions, especially for thinly traded securities. These values are generally for transactions of \$1 million or more, which often reflect more favorable pricing than transactions in smaller amounts. You may pay more than these values if you purchase smaller amounts of securities, or receive less if you sell smaller amounts of securities.

Prices and Valuations

While we believe our pricing information to be reliable, we cannot guarantee its accuracy. Pricing information provided for certain thinly traded securities may be stale.

Cost Data/Realized Capital Gains & Losses

Cost Data and Realized Capital Gains/Losses are provided in this statement for informational purposes only. Please review for accuracy. Merrill Lynch is not responsible for omitted or restated data. Please consult your tax advisor to determine the tax consequences of your securities transactions. Your statement is not an official accounting of gains/losses. Please refer to your records, trade confirmations, and your Consolidated Tax Reporting Statement (Form 1099).

Insurance Policies and Annuity Contracts

Information is based on data from the issuing insurer. We are not responsible for the calculation of policy/contract values. Insurance policies and annuity contracts are generally not held in your MLPF&S account. If we, as custodian or trustee, hold an annuity contract that is a security, SIPC protection and excess-SIPC protection apply.

Estimated Annual Income and Current Yield

Estimated Annual Income and Current Yield for certain types of securities could include a return of principal or capital gains in which case the Estimated Annual Income and Current Yield would be overstated. Estimated Annual Income and Current Yield are estimates and the actual income and yield might be lower or higher than the estimated amounts. Current Yield is based upon Estimated Annual Income and the current price of the security and will fluctuate.
